**UPPER VENTURA RIVER GROUNDWATER AGENCY**

**RESOLUTION NO. 2021-05**

**A RESOLUTION OF THE UPPER VENTURA RIVER GROUNDWATER AGENCY  
(AGENCY) AUTHORIZING THE REVISED USE OF TELECONFERENCING FOR  
PUBLIC MEETINGS**

**BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE UPPER  
VENTURA RIVER GROUNDWATER AGENCY as follows:**

**WHEREAS**, the Governor of the State of California (“Governor”) proclaimed a State of Emergency to exist as a result of the threat of COVID-19. (Governor’s Proclamation of a State of Emergency (Mar. 4, 2020).)

**WHEREAS**, the Governor’s Exec. Order No. N-25-20 (Mar. 12, 2020); Governor’s Exec. Order No. N-29-20 (Mar. 17, 2020); and Governor’s Exec. Order No. N-08-21 (Jun. 11, 2021) provided that local legislative bodies may hold public meetings via teleconferencing and make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body and waived the Brown Act provisions found in Govt. Code section 54953(b)(3) which require the physical presence of the members, the clerk, or other personnel of the body, or the public, as a condition of participation in, or quorum for, a public meeting, including:

- a) The requirement that state and local bodies notice each teleconference location from which a member will be participating in a public meeting.
- b) The requirement that each teleconference location be accessible to the public.
- c) The requirement that members of the public may address the body at each teleconference location.
- d) The requirement that state and local bodies post agendas at all teleconference locations.
- e) The requirement that, during teleconference meetings, at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction.

**WHEREAS**, the provisions of Governor’s Exec. Order No. N-25-20 (Mar. 12, 2020); Governor’s Exec. Order No. N-29-20 (Mar. 17, 2020); and Governor’s Exec. Order No. N-08-21 (Jun. 11, 2021) are set to expire on September 30, 2021 and will no longer remain in effect thereafter;

**WHEREAS**, the Center for Disease Control is currently contending with the Delta Variant of the COVID-19 virus and anticipates the development of potential other strains which may further impede public agency operations and prolong the need for social distancing requirements;

**AND WHEREAS**, recent legislation (A.B. 361) authorizes a local legislative body to use teleconferencing for a public meeting without complying with the Brown Act's teleconferencing quorum, meeting notice, and agenda requirements set forth in Government Code section 54953(b)(3), in any of the following circumstances:

- a) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.
- b) The legislative body holds a meeting during a proclaimed state of emergency for purposes of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health and safety of attendees.
- c) The legislative body holds a meeting during a proclaimed state of emergency and has determined by majority vote pursuant to b) above that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Upper Ventura River Groundwater Agency as follows:

Section 1. Incorporation of Recitals. All of the foregoing Recitals are true and correct and the Board so finds and determines. The Recitals set forth above are incorporated herein and made an operative part of this Resolution.

Section 2. Adoption of AB-361. The Board has determined by majority vote that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

Section 3. Continued Implementation of AB-361. If the state of emergency remains active, or state or local officials have imposed measures to promote social distancing, the Board of Directors of the Upper Ventura River Groundwater Agency shall, in order to continue meeting subject to this exemption to the Brown Act, no later than 30 days after it commences using the exemption, and every 30 days thereafter, make the following findings by majority vote:

- a) The legislative body has reconsidered the circumstances of the state of emergency; *and*
- b) Either (1) the state of emergency continues to directly impact the ability of the members to meet safely in person; or (2) state or local officials continue to impose or recommend measures to promote social distancing.
